The League of Women Voters is *the*  
organization where hands-on work to  
safeguard democracy leads to civic  
improvement.

Our members are men and women  
who make a visible difference. They  
serve as community leaders who use  
their experience to make democracy  
work and create lasting change.

Join us in:

- Acting as a force to create positive, lasting change in our communities.
- Empowering millions of voters to exercise their right to vote and have that vote count.
- Preserving our constitutional rights and civil liberties.
- Educating citizens and fostering dialogue on important issues from health care and climate change to immigration and affordable housing.
