

**2019-2021 LWVPDX
MULTNOMAH COUNTY
DIRECTORY OF ELECTED OFFICIALS**
Updated July 1, 2019. Online at lwvpdx.org

THE LEAGUE OF WOMEN VOTERS is proud to be nonpartisan, neither supporting nor opposing candidates or political parties at any level of government, but always working on vital issues of concern to members and the public.

LWV encourages informed and active participation in government, works to increase understanding of major public policy issues, and influences public policy through education and advocacy. **LWV Education Fund** works to register voters, provide voters with election information through voter guides as well as candidate forums and debates.

Since 1920 LWV has been an activist, grassroots organization whose leaders believe that voters should play a critical role in democracy. Men have been members since 1974.

LWV operates at national, state and local levels through more than 800 state and local Leagues, in all 50 states and in more than 700 communities. The League is one of America's most trusted grassroots organizations.

The League of Women Voters of Portland (LWVPDX) was organized in 1926. Membership in the LWV is open to all persons who are at least 16 years of age. A membership form is available under *Join Us* on lwvpdx.org.

The League is nonpartisan. However, after detailed research, study, and consensus/agreement, League members may adopt "positions." Using these positions, the League may advocate to influence public policy. That is why you may see that LWV Oregon or LWV Portland supports a state or local ballot measure in some elections.

See **VOTE411.org**, during election times, for candidates and ballot measure information that will appear on your ballot.

As individuals, League members are encouraged to engage fully in the political process.

OREGON ELECTION INFORMATION

Register to Vote

•**Online** at the Oregon Secretary of State's Office:

sos.oregon.gov/voting-elections

•**In Person** in Multnomah County at Duniway-Lovejoy Elections Building, 1040 SE Morrison St., Portland, OR 97214, 503-988-3720, mcelections.org.

Or at any Oregon Department of Motor Vehicles office.

•**By Mail** - Print registration forms are available at all branches of the Multnomah County Public Library and at U.S. Post Offices, and can be printed online from mcelections.org. Complete and sign the form and mail to the address indicated.

•**By Oregon Motor Voter** – You are automatically registered when you obtain a driver's license or Oregon I.D. at the Oregon Department of Motor Vehicles. You will be registered with no party affiliation.

To Register to Vote in Oregon - You must be a United States Citizen, a resident of Oregon, and at least 16 years of age with first ballot at 18. An Oregon driver's license or state ID card issued by the Oregon Department of Motor Vehicles (DMV) or acceptable identification is required.

Last day to register to vote in any particular election is 21 days before election day. There are four scheduled election dates each year in Oregon: the 2nd Tuesday in March; the 3rd Tuesday in May; the 3rd Tuesday in September; and the 1st Tuesday after the first Monday in November. The Oregon Legislature can choose a different election date.

Voter information at My Vote - To learn how to update your registration (name, address, party), vote by mail in Oregon, absentee ballots, election history, campaign finance, your elected state officials, etc.: sos.oregon.gov/voting-elections and then My Vote. Or call 503-986-1518.

Voting in the Oregon May Primary - Each major political party uses the May Primary election to nominate their candidates for the November General election. Major parties have the option of choosing a "closed system," meaning only registered voters in that party can vote for that party's candidates. Or, a major party can choose an "open system," where the major party allows voters who are not registered with any party to vote for their candidates. *In addition, there are usually nonpartisan candidates on the primary ballot that you may vote for whatever your party affiliation.* You may always vote in the primary, but you must belong to a major political party to vote for partisan candidates if all major parties declare the election "closed."
