LWV

Empowering Voters. Defending Democracy.

ABOUT THE LEAGUE OF WOMEN VOTERS

The League of Women Voters (LWV) is one of America’s most trusted grassroots organizations. It was founded in 1920 as an activist, grassroots organization whose leaders believed voters should play a critical role in democracy. The League works to ensure that citizens are informed and empowered. The League is a nonpartisan organization, neither supporting nor opposing candidates or political parties, but always working on vital issues of concern to its members and the public. League members are also encouraged, as individuals, to engage fully in the political process.

The League operates at national, state and local levels through more than 800 state and local leagues in all 50 states and in more than 700 communities. Each League works to increase understanding of major public policy issues, influence public policy through education and advocacy, and encourage informed and active participation in government. As one local League explains, “The League is where hands-on work to safeguard democracy takes place and leads to civic improvement.” LWV celebrated its 100th anniversary in 2020.

LWV has an Education Fund that works to register voters, provide voters with election information through print, online and video voters’ guides as well as candidate forums. The League believes the right to vote is too great a power to forego.

The League of Women Voters of Portland (LWVPDX) was organized in 1926. Men have been members since 1974. Membership in the LWV is open to all persons who are at least 16 years of age. See “Join Us” at <https://lwvpdx.org/join-us/>

While the League is nonpartisan, it may adopt positions on certain issues after detailed research, study, and consensus/agreement by members. Using these positions, the League may advocate to influence public policy. This is why you may find LWV Oregon or LWV Portland supporting a state or local ballot measure.

See **VOTE411.org**, during election times for nonpartisan information about candidates and measures that will appear on your ballot.

NOTE: If you know someone who doesn’t have a computer or access to the internet (and this directory) and who needs contact information about an elected official, please have them call LWV of Portland at 503-228-1675. A member volunteer will return the call as soon as possible during the work week.

OREGON ELECTION INFORMATION

To register to vote in Oregon: You must be a United States Citizen, a resident of Oregon, and at least 16 years of age with first ballot at 18. You will need an Oregon driver's license, permit or state ID card number issued by the Oregon Driver and Motor Vehicles Services Division (DMV). If you do not have an Oregon driver's license, permit, or ID card, you can still use the online voter registration application. The information you enter will display on a voter registration card that you will need to print, sign and deliver to your county elections office to complete your registration.

Register online: <https://sos.oregon.gov/voting/Pages/registration.aspx?lang=en>

Register by mail: Forms are available at all branches of the Multnomah County Public Library and at U.S. Post Offices, and can be printed online from www.multco.us/elections. Complete and sign the form and mail to the Multnomah County Election address indicated on the form.

Register by Oregon Motor Voter: You are automatically registered when you obtain a driver's license or Oregon I.D. at the Oregon Department of Motor Vehicles. You will be registered with no party affiliation.

To obtain or drop off a voter registration card at Multnomah County Elections Division

The Multnomah County Duniway-Lovejoy Elections Building, 1040 SE Morrison St., Portland, OR 97214, 503-988-3720, www.multco.us/elections.

Last day to register to vote in any election is the 21st calendar day before the election. There are four scheduled election dates each year in Oregon: the 2nd Tuesday in March; the 3rd Tuesday in May; the 3rd Tuesday in September; and the 1st Tuesday after the first Monday in November. The Oregon Legislature can choose a different election date.

Voting in Oregon's May Primary: Each major political party uses the May Primary election to nominate their candidates for the November General election. Major parties have the option of choosing a "closed system," meaning only registered voters in that party can vote for that party's candidates, or an "open system," in which voters who are not registered with any party can vote for the major party's candidates. *In addition, there are usually nonpartisan candidates on the primary ballot who you may vote for whatever your party affiliation.* You may always vote in the primary, but you must belong to a major political party to vote for partisan candidates if all major parties declare the election "closed."

POLITICAL PARTIES IN OREGON

For a party's political platform, consult the party's website. Only the major parties may use the Oregon May Primary election to nominate their candidates for the November General Election.

Major Parties

It's up to all of us to work for a present and future society that treats every individual with dignity and respect, provides for the health and education of future generations, grows Oregon's businesses and local economies, safeguards our civil liberties and democratic rights, and protects the natural environment in which we all live.

Oregon Republican Party, 503-595-8881, info@oregon.gop | <https://www.oregon.gop/>. Oregonians are pioneers. Risk-takers and change-makers. We believe freedom is the key to prosperity and that shrinking government is the way to get there.
